VC TO VILLAGE PROGRAMME, OCTOBER 2026.

Conducted Grama Sabha in the adopted village

Under Vice Chancellor to Village programme, on 15.10.2026 we Conducted Grama Sabha in the adopted village (M.B. Palli) and communicated the vision and objectives of VC to Village programme to farmers and prepared the action plan. Had discussion with farmers regarding the existing condition of crops and recommended the solutions to the prevailing problems viz., bacterial blight in pomegranate and early blight in tomato. Also created awareness about the problems of excessive use of chemical inputs and benefits use of organic inputs.
